COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for April 16, 2003 to consider the Net Energy Metering Rate Ordinance (NEM) (EUD)

MEETING DATE: March 19, 2002

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council set a public hearing for April 16, 2003 to consider the Net Energy Metering Rate Ordinance (NEM).

BACKGROUND INFORMATION: The City of Lodi Electric Utility Department (EUD) is required by State of California Legislation (AB 58) to offer to customers who install qualified solar and wind generation what is termed a "net metering" rate. This rate provides a benefit to customers who self generate electricity by wind and solar means at the value proscribed by legislation. In addition, the legislation proscribes metering and billing requirements for the NEM customers.

The proposed new NEM ordinance that is introduced at this meeting incorporates these mandated requirements. Qualified customers total capability cannot exceed .5% of utility peak load capability, therefore, the anticipated effect of this rate is very limited.

FUNDING: None required.
